## EDITORIAL

This month in the Club suite we decided to run a little experiment with the ladies featured, mainly because of all the doom-mongering going on these days. We put a simple and enjoyable task to the question when was the last time any of the ladies featured brought a drink on a night out? Most gave a quick little laugh, and said they couldn't remember, which rather confirms the calibre of this months totty. As Brooke Logan, Lola, Elena, Penny Lee, Spencer Scott, and Christi, wouldn't know how much a double voddy and coke cost as they haven't had to buy a drink in a few years due to mountains of admirers (we don't blame them!). Surprising the lovely Bexie Williams had a different answer, "Last weekend, I'm a believer in fairs, fair." Hear that chaps, Bexie won't just give you a broom handle in your trousers, she'll pop a pint in your hand too. Magic!

## JOIN OUR CLUB

I've always liked the letters you publish in Club so thought I'd tell you about something that happened to me a couple of years back when I was still at university. There I was, sitting watching crappy daytime TV in my room when there was a knock at the door. It was Sandy, a girl who lived in the flat above me and was a really sexy lass, with a mass of curly red hair, big tits and a nice, round arse. When she'd first moved in I'd tried my hardest to get in her knickers but had had no luck, because (get this!) she had a girlfriend, called Lisa. Of course that just turned me on even more. Sandy claimed to be bisexual, but I'd only ever seen her flirting with blokes, getting them all excited before slipping away with Lisa – or even some other girl. She'd even done it to me a few times, the tease!

This time Sandy came and sat on the bed next to me, giving me a great (and I reckon deliberate) view of her ample cleavage as she moved around me. Then she lay back with her head in my lap and started playing with my hair. There wasn't actually anything all that unusual about this, because Sandy was obviously used to using her looks to get her own way, especially with me! I was starting to get a hard-on, so was trying to change position without making it too obvious when I suddenly noticed that the bottom drawer of my bedside cabinet was open and a well-thumbed copy of Club was lying exposed on the top. Sandy saw it too and was onto it like a shot.

I went bright red, but Sandy just looked at me and said she'd never looked at a porn mag before. She started flipping through it, commenting on the girls she fancied. As she slowly went through the issue, pausing at every page, I realised that I was really turned on. She started to ask me what it was that I really liked about the mag. Was it the girls? The features? The letters? Without getting a chance to answer she started to tease me, saying she was sure it was the letters and flipped through until she found the start of one. Quietly she started to read the letter out. It was from 'Peaches', my favourite section. As Sandy slowly read out the letter she would pause every now and again, then look up from my lap where she had settled, look me directly in the eye and moisten her gorgeous red lips. She had a deep, sexy voice and I

**“I placed my bell end on her crack, then slowly started to work it in.”**

was getting more and more turned on.

Sandy was getting to the climax of the story and the girl in it was about to take a serious arse-fucking, when she suddenly chose that moment to change position, sitting up on my lap and facing away from me while carrying on reading. As the girl in the letter slowly took the guy's full length and he began to pump, Sandy started to rock backwards and forwards on my lap, grinding her arse into my cock. I was hard as a rock; I'd never been so turned on before. Sandy stood up and started feeling my cock.

“You fucking love those stories, don't you?” she whispered in my ear. “You want to fuck me up the arse, don't you? But I'm not going to let you.” She let go of my throbbing cock. I was well pissed off. I thought it was the typical Sandy tease. But this time she wasn't finished with me.

Standing in front of me Sandy started dancing, gently at first, swaying from side to side, dipping down to give me a good view of that great cleavage. Then she'd move back up, stretch and show me her taught stomach. Despite my annoyance I couldn't help but enjoy the show. She moved back onto the

bed and kissed me on the lips, whispering “It would be cruel to leave you this turned on...” She ran her finger gently along my fly. “Without giving you some satisfaction.” She gently unzipped me and pulled my cock out. It was the hardest I'd ever known it.

Sandy went down on me like a pro, wanking the base of my shaft as she sucked my end hard. She willingly took the whole of my dick into her mouth and I worked my other hand into her jeans to feel her clit. As she continued blowing me I pulled her jeans down. I was on the verge of coming, so took a chance and started working my thumb in a slow, circular motion into her arse. Sandy stopped and looked at me with an expression that was half-pleasure, half-surprise. I worked my thumb in deeper.

“Come in me,” she begged. “Fuck my arse.” I started to lubricate her with her pussy juices, wetting my fingers, then sliding them in. She let out a gentle moan as each finger got to work and she soon felt nice and open. I moved round behind her and placed my bell end on her crack, then slowly started to work it in.

After a while I was balls deep in her arse and started rocking in that tight little hole of

button and concentrated on it with the tip of my tongue as I started to finger her pussy again. By now she was making a lot of noise so I started to suck harder. Sandy got louder and louder as I sucked harder and harder and finally screamed out loud as she came.

We flopped down on the bed, both completely exhausted. My tongue was as raw as her arse. And after all that, when she'd got her breath back, what do you think she did? She turned and asked me for a lift to the fucking shops! I knew she'd wanted something out of me, but I could hardly refuse, could I? And I let her keep the copy of Club. I'm sure her and Lisa enjoyed it immensely.

*Iain, Southampton.*

hers.

Sandy moaned and wailed as my thrusts got harder and harder. I have to admit I'd never fucked an arse before and it was fantastic. I kept pounding and pounding, my balls smacking against her bum. She begged me to keep going, thrusting deeper and deeper, until suddenly I exploded inside her.

I pulled out, my come dripping down her beautiful arse cheeks, but I was still horny. I flipped her over, spread her legs apart and plunged my tongue deep into her soaking wet pussy. I moved back, working her lips, biting her as she groaned. Soon I felt her

# T♣AL RECALL

**D**ear Total Recall,  
I wanted to start off by saying how much I enjoyed the last issue of Club Vol.48, No.02 and the gorgeous Total Recall Michelle, from that issue. They obviously have good taste in Tadcaster! But it also got

me thinking about a particular model featured in Club some time ago myself. Now, I'll always remember the set, as the blonde stunner Kitty was laid out on a tiger skin sofa, and even had a large stuffed toy tiger with her in the pictures. I think it may have been in Vol.32, but I

can't be sure, so here's to hoping you'll be able to track the pictures down, as it would be amazing to see that purring Kitty cat again with her fantastic rack; I imagine my cock will burst through my zip if I get to look at Kitty's spread again. Nigel, via email.

**Elena**   
PHOTOS: HOLLY RANDALL

It's nice to know that while we're stuck in the middle of yet another dismal and dark winter, the lucky Elena is out frolicking and enjoying herself in the sun, someplace where it's so warm she didn't even need to bother with clothes, not that we're complaining about that part of course. But we were a little concerned that Elena couldn't figure out where her clothes had gone?

"Never mind, the neighbourhood may get an unexpected sight as I race to my car naked!" was the brilliant reaction we received.

Yes, Elena, the vision of a beautiful naked woman running to her car may raise a few eyebrows, but it's nothing we haven't seen before...

## Delicious Series 3

DVD £19.99

Cast yourself away to the sunny shores of Cornwall, one of the most popular home-stay getaways in the British Isles and what does it conjure up? Golden beaches, cream teas, cliff top walks and I do hope culinary excellence, as there are quite a few outstanding chomping holes down there. So a series venturing into the world of a five-star hotel and kitchen seems a perfect mix. Now on its third series, the popular Sky program has promised all-out war in this latest series; and the knives are out, as competing restaurants pinch staff, set off fire alarms, and promote a possible case of shellfish sewerage contamination. As always the havoc is linked to the deceased philandering chef Leo Vincent, as a curious old rival Mason Elliot rocks up in town much to the Penrose Hotel owners Sam's delight and Gina's horror, though later it's Sam's horror too. A well-assembled cast featuring Dawn French, Emilia Fox, Tanya Reynolds, Iain Glen, Sheila Hancock and Vincent Regan, and note-perfect writing from Dan Sefton. The hygiene gloves are off in this latest series, and it provides excellent, sometimes comical, light-hearted entertainment,

and rather a contrast to the gritty dramas produced for television currently. Delicious came under heavy critic fire during its first series but gained overwhelming viewer support thankfully.

## Venom

DVD £9.99, Blu-ray £14.99

Gent's, if you have a missus that happens to be a Tom Hardy fan then here's a film for both of you, though the lady of the house might be off Hardy afterwards. A biotech baron Carlton Drake (Riz Ahmed) has imported a parasitical alien to earth and is busy conducting experiments on humans with it, until journalist Eddie Brock's investigations backfire, and he becomes infected. Now possessing an alien morphing alter-ego called Venom, Brock's life changes dramatically as the parasite gives him super strength with violence in mind. This is a generous antihero movie that doesn't quite make the splash you would wish, but Hardy does make enough of the comedy aspect of the film to keep us entertained.

## Manhunt

DVD £12.99

Portrayals of real-life murder cases have many pitfalls to avoid, often ending up labour intensive for the justice-seeking investigator who can only extinguish his own demons once justice has been served. Manhunt thankfully avoids this, adapted from the memoirs of Colin Sutton, the lead investigator in the Delagrang case, who came to identify Levi Bellfield as the serial killer responsible for murdering 13-year-old Milly Dowler, 22-year-old Amélie Delagrang and 19-year-old Marsha McDonnell. Martin Clunes fits well into the role of Colin Sutton, distributing his lightness of touch in a straight, rather than comical, character portrayal, that follows more realistic police work than most drama's. A captivating miniseries that doesn't overplay its hand.

**B**rooke really is the complete package, smashing body, shaven pussy, long legs, dark tousled hair and a cute face that has a look of innocence about it.

"Oh, really," says Brooke with some confusion, "I've always been told I've got a naughty face, but then I do tend to get away with murder."

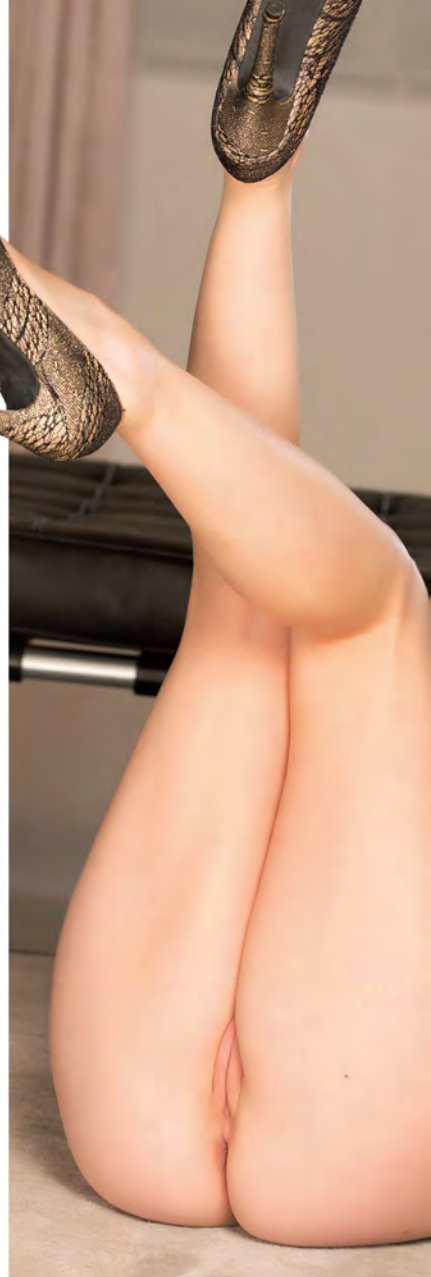

I bet you do, and on fairly regular bases too, I'd imagine, and it's all part of the charm that has lured us in here at Club.

## Micro Condor x3

[www.micro-mobility.com](http://www.micro-mobility.com)

I really did think this would be a fade that came and went faster than the batteries in a Furbie, but it would appear I was wrong. I'm still being skittled on pavements, over pedestrian crossings and the like by electric scooter crazed commuters. Yes, it is cheaper than an eclectic car or moped, but it's not as cost effective as a bicycle, where can roll your gym and commute into one. But I could be persuaded by the Micro Condor X3, with a range of 20km, a weight of 10.8kg (bicep workout right there) and a max speed of 30km (Britain) it certainly is looking promising, with a 208 Wh Lithium-Ion battery thrown in the mix it looks up to the challenge of longer distances. Plus, it's easy folding ability means you can hop off, flick up and carry it with you into the office.

### Jedi Challenges

[www.lenovo.com](http://www.lenovo.com)

Calling all Star Wars fanatics, have you ever dreamt of lightsaber battles with villainous Star Wars characters, that take on an action-packed reality edge? Well, awaken the force within, or a least on your debit card and nab yourself a slice of VR Star Wars with the Lenovo Mirage, a VR headset that comes with a 'replica standard' lightsaber control to play a series of Jedi skill games where the bad guys are seemingly projected into the room with you. Pretty snazzy eh? But that's not all, you can also play HoloChess with R2-D2 and Chewie when your arms get a bit tired of swooshing about at Darth Vader. Plus, this can all be run through your smartphone using the Jedi Challenges app, rather than a console, which will please most.

## The Beatles

### Yellow Submarine

[www.project-audio.com](http://www.project-audio.com) Turntable

The bizarre and trippy 1968 Beatles movie, may have been a bad song in my book but the film imagery makes an incredibly cool turntable. The fifth collaboration in the Beatles turntable collection (others include the White Album, and a Sgt. Pepper themed table) Yellow Submarine is more than distinctive, not just for its fun shape, but when it's not in use the glass platter allows you to see the entire picture. Featuring a belt-drive with a synchronous motor, Ortofon Concorde quality pickup, a precise and light aluminium tonearm, and gold contacts, Project Audio Systems have made something completely individual and fun in a market that strives for sleekness. There's no doubt in my mind about how cool this bit of kit is, and though you may balk at the price, any turntable made by Pro-Ject is an excellent buy and worth its price tag.

Christi has had a curious porn career. Modelling aside, Christi burst onto the scene in various hardcore porno's, taking more than most of could give. Since then? Nothing but solo masturbation scenes and lesbian action. What gives?

"Oh, I had a blast making all those hardcore action films," Christi says in her cute American accent, "but I kind of got that out of my system. I didn't want to be a hardcore star where you have to get ruder and ruder. I thought I'd start with some intense anal and then put that aside."

Is there any chance we can get you to reconsider?

"Well, think of my really dirty films like bookends. When I come to the end of my career, I'm going to go out in fine, filthy style!"

# SCRUFF JUSTICE!

Please be upstanding!

## Digital Playground

Cumless

**Starring:** Ana Foxxx, Britney Amber, Mary Moody, Syren De Mer, Justine Hunt, Ricky Johnson and Tommy Gunn.

**Synopsis:** "Charlotte is not your average college student—she's rich, she's popular, and she's the hottest virgin in town! After her best friend Deeana loses her virginity though, Charlotte can't stop thinking about her own true love—her new stepbrother Joseph and his rock, hard cock!"

*Courtesy of Digital Playground*

**Verdict:** Even if you weren't a teenage girl in 1995, we all knew about the film *Clueless*, which is the base for Digital Playground's *Cumless*. Some of you may have even had a little fantasy about Alicia Silverstone who played the over-privileged brat-pack teen

Cher; I know I did. This latest venture from DP puts the erotic twist on this story and may come close to fulfilling some of those long forgotten fantasies. Kicking things off are Ana Foxxx and Ricky Johnson, as the girls start to lose their virginity one by one. Foxxx and Johnson make a good pairing in this intimate session that covers a range of positions. But these girls don't look like there in any hurry as they enjoy each other in an all-girl threeway with plenty of pussy licking as they enjoy each other too the max. There's also MILF action between Syren De Mer and Tommy Gunn as things heat up in the staffroom, with cowgirl, missionary and anal taken with experience. An exciting revival from DP.

## Hollywood Ending

Wicked Passions

**Starring:** India Summer, Tommy Pistol, Logan Pierce, Aaliyah Love, Karlee Grey, Jay Smooth, Mercedes Carrera, and Derrick Pierce

**Synopsis:** Rebecca and Tommy (India Summer and Tommy Pistol) met in acting school and thought they had the perfect life. They made their way up the ladder of success, but the view from the top can change your perspective. Love is put to the test when fame, fortune, and false friends conspire to tear a couple apart who were once everything to each other.

**Verdict:** When fame and fortune come knocking the fight to hold onto reality can be a little daunting and for Tommy and Rebecca

notoriety has come with a whole entourage, all out for themselves at any cost, which doesn't bode well for our lovebirds. But tossing aside the cattiness and bad advice from Aaliyah Love, we join the aforementioned as she receives a royal going over and eventually a spunky slot. But it looks like Rebecca is for the turning as Jenna wants to get her finger wet, though more the shame

that we don't see any action from these two, only the suggestion of. Tommy on the other hand in his confused grief,

of course, nails his sectary Karlee Grey; who also has a lot of time for Tommy's friend as he soaks her bush in creamy man juice. But the life swaps don't seem to be working out, so perhaps they should go back to the start.

**A**s you should well know by now, here at Club, we like a classy girl. Admittedly, we like girls of any kind if they're willing to strut their stuff for us, but they earn extra points if they do it with a touch of elegance. So that probably explains why we're pretty besotted with Bexie. She conducts herself in a similar way to how she looks. Well, at least that's what we initially thought...

"I don't know why you had me down as the prim

and proper type," the deceptively cute-faced beauty told us. "Believe me; I can be as filthy as the next girl."

Really? Care to elaborate?

"I've got a reputation for outrageous behaviour at parties. One minute I'll be standing there, chatting politely and then the next I'll be hitching up my skirt to prove I'm not wearing any knickers or flashing my tits at a bunch of lads."

Now that's precisely the kind of class we're talking about!

**P**enny Lee never fails to impress us with her blindingly obvious assets, and this shoot was no exception. And you lot seem to agree! Judging by the fact that every time we run a spread of her we receive sackloads of letters from adoring fans literally, most of them desperate for us to pass on their number.

But surely a girl like Penny can afford to be picky. We wondered if any of our readers would actually stand a chance, so we called her up

"I'm not a snob!" She laughed when we finally plucked up the courage to ask her. So there's hope for you lot yet it would seem!

## EAT THE PARENTS

Sally threw a massive party at her home in Surrey, a huge great big place, very posh. We'd met while we were travelling in India last summer so I didn't know any of her family, but was really pleased to be asked. I checked into the hotel that she'd booked for me, showered, changed and headed for her house in the car she'd sent over. See what I mean about being really posh?

As soon as I walked into the huge main room I couldn't help but notice one particular couple. They were very smart-looking, sure, but the most amazing thing about them was that although they thought no-one could see them I could tell that he was moving his hand between her legs. All of a sudden the man looked up and held my gaze for several seconds. He knew I'd been watching and I was unable to take my eyes off him. He kept looking at me over his partner's shoulder or when she looked away. He was very tall, dark and handsome, as the old cliché goes. He was also quite a lot older than me and those constant looks really made me feel like a little girl. I was secretly flirting with him and he knew it. When the music stopped he patted his partner on the behind, whispered something in her ear and left the dancefloor. He was heading in my direction.

Simply and confidently he held out his hand to me and led me onto the floor. He turned me so that my back was to the wall so no-one could see his hands. I could feel his breath on my shoulder and neck; it was warm

and soft. He put his hands over the top of my buttocks and quickly realised I wasn't wearing any knickers (I didn't want to spoil the line of my dress). He pressed himself against me and I could feel his hard-on; I knew he wanted me.

He put his hands on my bum and pulled my cheeks apart. I gasped at his cheek. Then his hands dropped lower and he pulled my little dress up so that half my arse was hanging out. My nipples hardened at the thought of it and he knew the effect he was having on me.

Craftily he moved his hand round so that it was at the entrance to my wet pussy. He moved a couple of fingers inside me slightly and I pressed myself against him so he could reach better. He was using his fingers like a dick, pushing them in and out of me and it was driving me insane. It was outrageous. I

**“He used his dick like a dildo, moving it up over my clit, then back deep into my pussy. I came at once.”**

had to pretend we were dancing while this stranger was actually finger-fucking me!

Suddenly he stopped and pulled down my dress. He'd noticed the music was coming to an end. Then he took my hand and led me off the dance floor, past all the other guests and out through the French windows into the garden. It was done so confidently that no-one gave us a second glance.

Away from the noise of the party this man leant me up against a tree, pulled my dress up so it was round my waist and still looking me in the eye, used his hand to open my legs. His fingers went inside me once more as the bark of

the tree scratched my peachy little arse. I was dripping wet as he pulled and pushed his fingers in and out, running them over my clit every time he withdrew. I leaned forward. His dick was rock hard under his clothes, so I unbuttoned his trousers and unzipped him. His cock sprang into the night air. It was huge and I wanted it.

I sank down onto my knees in the mud and he pulled my dress over my head. I was naked apart from my sandals. My eyes were now level with his dick so I took hold of it with both hands and directed it into my waiting mouth. I felt his whole body clench and he steadied himself on the branch of the tree. He started to move in and out of my mouth, but I didn't want him to come so I pulled

away. I ran my tongue greedily up and down the shaft, then quickly took him into my mouth again when I reached the top of of his cock. I ran my tongue in the slit and tickled him. I knew he was hungry for a fuck because he couldn't stop his hips from moving.

I stood up and he grabbed my boobs for the first time, squeezing my nipples between his fingers and thumbs. I wanted his mouth there so I took his head and gently guided him down. He took a nipple in his mouth and covered it with saliva before moving to the

other one.

Suddenly I heard someone coming up behind me and tried to turn my head to see who was there. He held my head straight so I couldn't look, then lifted his head to me and smiled. "Open your mind," he said. With his hands on the sides of my head he stepped back so that I had to follow. Then I felt another body take the position I'd held against the tree. Then a different pair of hands reached for my tits. I quickly glanced down and saw manicured nails and rings. It was the woman who'd been dancing with him when I'd first arrived. Her fingers caressed my nipples. The man took a step back and the woman placed her body between us. She was already naked, with a body that

seemed to belong to a woman who was much younger than her. She kissed my boobs and left lipstick smeared on my soft, white flesh. Then she ran her tongue down my belly and buried her face in my bush. She parted my legs with her hands and as I moved back to steady myself against the tree she started gobbling at my pussy.

I opened my eyes to see the man standing behind her and ramming his cock into her. She matched every stroke he gave with her tongue, fucking me with her long, expert muscle. I lowered my hands towards her and she took them, guiding them to her own hard, ripe nipples. As I squeezed them I felt her moan against my clit. I squeezed again, this time harder, and she bit me. My cunt was being eaten by a woman — and I loved it!

Suddenly the man stopped and pulled out of the woman, took me and laid me down on the grass, then opened my legs really wide so that they could both look at my soaking pussy. He reached out and stroked me before finally easing his lovely big cock deep inside

**“...brought the pussy down to my mouth before skewering my tongue inside.”**

me. He started slowly, as if he was afraid of hurting me, but I bit his shoulder to say that I wanted it rough and he thrust hard and deep inside my cunt. I groaned with pleasure.

He used his dick like a dildo, moving it up over my clit, then back deep into my pussy. I came almost at once and he was quick to follow, just a stroke behind. I felt his hot spunk fill me and as he thrust deeper my pussy squeezed the very last juices out of him.

It took me a few moments to recover, but it wasn't all over yet. The woman crawled up to me and rested her pussy over my face. She lowered herself down on my mouth and gyrated her hips so my face was soaked with her juices. I ran my tongue over my lips to taste her, then reached for her hips and brought the pussy down to my mouth before skewering my tongue inside. She moaned and grabbed her tits, tweaking hard at her own nipples. I ran my tongue along her slit and found her engorged clit. I touched it and she winced with pleasure, then came the minute I squeezed it between my teeth, soaking my face with her come. I felt her cunt

vibrate and twitch and rammed my tongue into it to share her orgasm. Once we'd all got our breath back the man and woman disappeared back across the garden to the house.

I was delighted but confused by the whole affair and the rest of the party went by in a blur. I didn't really remember taking the car back to the hotel, but knew when I woke up the following morning that I was supposed to be at Sally's for breakfast at 10.

The house was eerily quiet as she led me into the drawing room, where I couldn't believe what greeted me. There was a family portrait hanging over the fireplace. Sally was smiling with her mother and father – and her parents were the ones who'd fucked me the night before!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## ROOM AT THE BACK

I was really pleased when you published my letter in Talkin' Blue back in the summer about what happened between me, my friend Angie and my boyfriend Keith down here in Cornwall. Well, I thought that you'd want to hear about the next time Angie came down to visit, so here goes...

(You wanted another fifty quid, more like, but go on then! – The Ed.)

I picked Angie up from the train station and the minute she saw me she ran over and hugged me, then kissed me fully on the lips as her fingers traced a line across my bum cheeks.

"Where's Keith?" she asked as we walked to the car.

"Working," I replied.

"Shame."

"He'll be home for dinner."

"It wasn't food I was interested in," she announced as she slipped her lithe frame into the passenger seat of my car.

I was about to reply, but with both doors closed I was suddenly aware of a familiar, musky aroma. I eyed Angie with a knowing look. She popped the top buttons of her blouse to reveal the tops of her sexy boobs.

"A stud on the train," she explained, giggling as she pointed out the drying spunk that lined her smooth skin.

"You didn't!" I exclaimed, trying to sound shocked, but failing.

**“Her eyes widened and she tensed as my finger pushed past the initial resistance.”**

"I didn't, but he did," she replied.

"Well, you could have at least wiped it off," I retorted.

"I couldn't," she replied. "The silly sod was groaning so loudly that by the time he'd finished there was a guard banging on the door."

"Angie, you are such an awful girl," I sighed, shaking my head as I started the engine.

"Don't you go all prim and proper on me," she said. "I found you

having a wank in the bushes last summer, remember?" I felt my neck redden. Of course I remembered, although I remember what happened afterwards much more vividly. Images flashed in my mind and my nipples suddenly hardened.

"I'm beginning to think that this has worked out for the best," Angie announced.

"How's that?" I asked.

"Well, when we get back to your place you can clean me up before I show you how much I've missed you." I swallowed and managed to say, "What about Keith?"

"I'd rather have you to myself for a little while," answered Angie. "He can have you afterwards..." I expected her to laugh at any moment, to tell me that she was just joking, but then I felt her hand resting high up on my thigh. I slammed the car into gear and screeched out of the car park. It seemed the longest twenty minutes of my life and I swear that someone has stretched the roads out between the station and home!

Once at the house Angie insisted on bringing her bag from the car and refused to let me touch her until we were in the bedroom. Once there I practically tore the blouse from her shoulders in my haste to get to her spunk-covered breasts. She groaned loudly as I cleaned the dry jism from her breasts with my tongue, revelling in the sheer filthiness of tasting another man on my best friend, a man that I had never even seen. It was so good to have her back in my arms, hot all over and breathing quickly as I enveloped her.

When her gorgeous, tanned skin was clean I sucked firmly on her nipples, each in turn while rolling its sticky partner between my thumb and forefinger.

"I'm so fucking horny," Angie announced. There was no denying that. Her nipples were hard and almost painfully pronounced and I could smell her seeping pussy.

"I need something in me Amanda," she gasped. "God, fill me up!" With Angie still standing, I tore the last of her clothes from her and moved my fingers to her pussy.

"My God!" I groaned, feeling her soaking

I was surprised by this because the previous summer, despite encouraging Keith to fuck me like that, Angie had shied away from such penetration. She must have sensed my surprise because she said, "I've never had it before, but it just feels right now."

The thought of introducing Angie to the pleasures of anal penetration almost made me come right there and then. "I'll be gentle," I promised as I slipped two digits into her gaping pussy. I slipped my other hand into my knickers and used my own juices to lubricate Angie's virgin little bum ring.

With her entrance and my fingers well lubricated I sat

pussy. Angie gasped and stumbled forward, her hands shooting out to stop herself from falling. She stayed there with her hands either side of the long, wall-fixed mirror beside our wardrobe. Her back was slightly bent, her arse pushed out towards me and her legs apart. A thin line of sweat stood out along her spine.

I stared at her reflection in the mirror. She looked beautiful and even more sexy than I remembered. I wished I had a camera to capture the moment. But all too soon my own passions overwhelmed me and I fell to my knees, my tongue and fingers quickly finding Angie's pussy.

"Oh, God. Fuck my arse," Angie gasped.

back on my haunches so that I could see Angie's face in the mirror. I wanted to see her reaction as my first digit slid into her innocent hole. Her eyes widened and she tensed as my finger pushed past the initial resistance. She grimaced slightly, but then suddenly she groaned with pleasure and her face relaxed. I pulled my finger back slowly before sliding

a second digit home. Her face showed the same reaction, but after several thrusts she became accustomed to the sensations and began to push her arse back against my hand.

As soon as Angie got into the flow of things I moved to allow my tongue access to her pussy and I licked at her labia. As I felt her passion rising I moved my attentions to her clitoris and sucked firmly on her hardening bud, the entire time thrusting my fingers in and out of her tight arse.

"Oh, God..." Angie gasped. "I'm going to come." Feeling her pussy spasming, I put my lips to her clitoris and hummed loudly. The vibrations drove Angie wild and she bucked uncontrollably, splashing my face and chest with her sweet juice.

As her passions eased, Angie fell back onto the bed and I let her lie there as I undressed. When I lay down naked next to her she smiled and rolled me onto my front, telling me to get up on all fours. A few moments later she traced her fingers across my buttocks. "Your turn," she whispered as I heard her squirting lubricant from a tube that she must have got from her overnight bag.

"Oh yeah," I sighed, closing my eyes. "I love being fingered up the arse."

"I'm not going to finger you," she replied. I glanced over my shoulder and gasped as I watched Angie spreading lubricant over an absolute monster of a strap-on dildo that she'd slipped around her waist.

"Can you manage it?" she asked. It was bigger than anything I'd taken before, but I was more than eager to give it a go.

"I think so," I whispered.

"Good girl," said Angie as she gently parted my butt-cheeks. I felt the wide, bulbous head of the dildo nudging at my anus, squeezing between my cheeks.

"Oh God, Angie," I whispered fearfully.

"It'll be okay," she announced, pushing the lubricated dildo slowly forward.

I could feel it nudging against my tight hole and I almost screamed with fear. There was no way that monster was going up my arse. I started to pull away, but Angie

forcibly grabbed my hips and pulled me back as she pushed forwards.

I tensed, relaxed and then tensed again as the invader forced its way into me. And then, incredibly, it was inside me, my tight passage opening to welcome the huge phallus. I heard myself groan, felt myself shiver as tiny beads of freezing sweat stood out along my spine. And then Angie was riding me with ease, her hands at my hips, guiding both our movements.

The dildo that had, only moments before, terrified me with its size now filled me so perfectly that I couldn't even respond to the forceful thrusts. The pleasure of my firmly and fully-stuffed arse was so intense and made me so limp that Angie pulled me back and forth as if I were nothing more than a rag doll. But then the pleasure and passion seized me as my mounting orgasm reached breaking point.

"Oh fuck!" I screamed, throwing my head back, my hands punching into the mattress.

"Fuck is right!" said a voice.

Angie paused in her invasion of my arse and we both looked up to see that Keith had entered the bedroom. Neither of us had even heard him. He must have known that we were up to no good as soon as he came in; my sighs and groans had surely carried downstairs. Still, he looked surprised and even a little shocked. I couldn't blame him really. He had

just entered our bedroom to see me on all fours with Angie thundering into my arse.

"Are you going to do something with that?" Angie asked, glancing at the enormous mound in his trousers.

"You bet I fucking am," Keith replied, shedding his clothes in double-quick time as Angie picked up her rhythm once more. Once naked he grabbed hold of my hair and turned my face towards him. His good-sized cock was even bigger than normal, but somehow I managed to suck it between my lips. I deep-throated him for a while until he groaned and pulled back. I shivered as I waited for him to touch my pussy, eager for stimulation there. I fully expected some tonguing of my own. But his touch never came. Instead I heard Angie groan and I glanced over my shoulder to see Keith moving in on her. The slight tensing and then the look of sheer pleasure told me

that Keith had slipped himself into her beautiful arse – using my own saliva as lubricant.

The sight of Angie taking a cock up her arse was almost too much to bear. The extra pounding of her thrusts as she herself was stuffed made my anus spasm and my pussy gush. I screamed loudly, swearing and begging for mercy. Angie's hand found my clitoris and she rubbed the nub firmly as I told her to fuck me hard. Eventually I collapsed, falling away from the monstrous dildo and allowing Angie to revel in Keith's manly stuffing of her arse.

Shivering with my spent passions I moved around the bed to position myself behind Keith. I spread his buttocks and moved my tongue between them. He groaned loudly as I lubricated his tight hole and

**“ Keith had slipped himself into her beautiful arse – using my own saliva. ”**

slipped my finger in. As I thrust my finger into him, I rolled onto my back to suck his balls. His thrust became urgent and suddenly Angie screamed with release, tossing her head like a wild animal.

Keith pulled free of her arse and rolled her over onto her back. I moved so that I could hold her legs open as Keith moved between her spread thighs, wanking himself to climax. Suddenly he shot his seed. Hot splashes splattered Angie's breasts and stomach and the last sticky drops fell on her soaking pussy. Then I licked sticky jism from Angie's breasts for the second time that day. And by the time she was clean Keith was ready to give my pussy the attention it more than deserved!

**Spencer**   
PHOTOS: TWISTYS

If this was the new P&O cruises advert, they'd be in the middle of a website crash directly afterwards, as there's nothing quite like Spencer to add spunk to your business, or your boxers. As the ample blonde shows off her plump and neat shaven snatch in a pair of crotchless, 50's style high-rises, it's a wonder that the photographer can see through the lens this set is producing so much steam!

What our well-placed moles are telling us this month...

## THE LISTENING BANK!

Life is tough for stupid criminals. After all, if you've got your heart set on \$20,000 when you rob a bank – the amount Arthur Bundrage, 28, of East Syracuse, New York asked for when he robbed the Alliance Bank – then that's what you should get. The bank clerk refused to hand over any money, but soon coughed up when Bundrage threatened him. Bundrage left the bank but, upon counting the money and finding it short of the

magic number, he returned to ask for the rest of it. Officers responding to the bank's alarm found Bundrage at the doors of the bank trying to get back in. Quit while you're ahead, son.

The bit\*h shorted me!

Give me all your money

## PIZZA HIT!

We've all waited in for pizza delivery, wondering if our Mighty Meaty has gone cold in the 40 minutes it has fucking well taken. But what if you get a pizza you never ordered? Delivered via a car? Through the front of your house? That's what happened when William Kise drove his Mustang into the house of a married Indianapolis couple recently. 41-year-old Kise caused \$30,000 of damage to the house, but didn't hurt the homeowners or any of their 4 kids. Kise admitted to drinking 5 beers, and had spilled Tabasco over his trousers. But the real bit of class. As he emerged from the car he'd just ploughed into their home, Kise turned to his victims and said, "You want some pizza?" Sadly, he'd already eaten it all...

It was an extra topper!

## BONING!

There's a reason for all those excellent Swedish TV dramas that we watch in the UK – those Swedes are nuts. Police recently investigated a 37-year-old woman's apartment after reports of a firearm being discharged. On entering, the cops discovered over 100 parts of skeletons in her home, as well as pictures from a morgue, body bags, photographs of her licking a skull, and a CD entitled 'My Necrophilia'. She claimed to be collecting the bones for 'historical research', but the documents they found that detailed how to have sex with the dead might weigh against her. Christ, it must have looked like Ray Harryhausen's workshop in there!

This stuff goes right through me!
